**SOUTH PASADENA**  
EDUCATIONAL FOUNDATION

## ***Thank you, South Pasadena!***

**Because of your generous support,  
the South Pasadena Educational Foundation (SPEF) presented**

### **\$500,000**

**For district-wide  
programs and services**

### **\$196,000**

**Collected by SPEF for the  
Track and Field effort**

**In California, a good public education is no longer free.  
Government sources upon which schools primarily rely are  
shrinking and becoming increasingly unpredictable.**

**Arts, library and counseling services, foreign language, music,  
drama and other programs that enrich our students' academic  
experience are not adequately funded without private support.**

**Without your support, South Pasadena's schools cannot deliver  
the level of education our community expects and our children deserve.**

***Thank you to our financial donors  
September 1, 2007 through September 23, 2008***
